Commitment to Action

The Commitment Postcard is a creative tool designed for young rural developers in Europe. It is a symbolic pledge card where you can commit to your next steps in contributing to the development of your rural community.

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the National Agency. Neither the European Union nor National Agency can be held responsible for them.

Let's Commit

Your Name

My Rural Base is :

Date:

I pledge to help foster growth and sustainability in my rural community.

Give detail - What will you start, continue, or change?

My timeline is

My collaborators will be

Complete this Commitment during community meetings or workshops, use it as a bookmark, or share your commitment on social media to inspire others.
